Funds in the amount of \$50,000 are available to support salary for one year for the candidate who best meets the eligibility criteria established and outlined below.

ELIGIBILITY CRITERIA

- Applicants must be eligible to practice in Canada in a Post Graduate Movement Disorder Program.
- Successful completion of the Physicians examination in Neurology or Neurosurgery.
- Registered in a post-graduate training position at an Approved Institution in Southwestern Ontario
- Applicants must intend to practice in Southwestern Ontario/Ontario
- Clinical training must be the largest component of this hands-on experience with a minimum 80% of time dedicated to patient care.

APPROVED UNIVERSITIES

University of Guelph
University of Waterloo

Western University
Wilfrid Laurier University
University of Windsor

LOCATION OF TRAINING & SUPERVISION

Awards granted under this Program shall be held in trust by the Approved Institution at which the approved supervisor of the successful applicant holds a faculty appointment.

Other training locations may be considered by the Program's Adjudication Committee, provided that the facility is an Approved Institution and the clinical training fall within the mandate of the Program.

REPORTING REQUIREMENTS AND FUNDING TERMS

PSSO requires successful applicants to submit a Final Progress Report detailing the results of the applicant's progress, in substance and form satisfactory to the PSSO Board of Directors, which shall be submitted to the attention of the CEO, at PSSO's office no later than three months after the termination of the Program. Guidelines and instructions will be provided by PSSO in advance of the reporting deadline.

Successful applicant may also be requested to speak at PSSO educational events.

APPLICATION PROCEDURE

Applications must be completed and submitted to PSSO no later than 4:00 p.m. on February 22, 2022.

Your application will be considered complete once PSSO has received the following items:

1. Candidate letter expressing their interest in a career specialized in the field of Parkinson's disease (500 words)
2. Fellowship training summary (500 words)
3. Official Transcript of the applicant's university record including all undergraduate medical and postgraduate studies.
4. Curriculum vitae
5. Completed and signed application form
6. Two (2) reference letters from professors or supervisors with whom the candidate has studied or worked. One reference should be from the director of the program in which the candidate has taken the majority of their training.
7. Letter of support from the supervising Neurologist at the Movement Disorder Center where training is to take place providing details of the Training Environment outlining the proposed training program, including a detailed

description of clinical responsibilities, teaching to be provided and allocation of time (allocated for each activity, totalling 100% of the proposed training program

Incomplete applications or applications received later than deadline, will not be considered under any circumstances.

Applications materials (Items 1-5 above) are to be submitted electronically as a single pdf file to Shelley Rivard, CEO, Parkinson Society Southwestern Ontario, research@pssso.ca. Receipt of application will be confirmed.

Applicants do not need to courier any documents to PSSO; however, we ask that you keep your original signed documents which may be requested in the event that your application is successful in the competition.

Reference Letters and Supervisor Supports (Items 6-9) are to be completed by two sponsors and Proposed Training Program Supervisor. References are to be submitted electronically by sponsors and supervisors directly to Shelley Rivard, CEO, Parkinson Society Southwestern Ontario, research@pssso.ca. Receipt of letters will be confirmed.

After submitting your application, should circumstances arise where the training cannot be completed as outlined, Parkinson Society Southwestern Ontario must be contacted in writing, be apprised of the situation, and provided any new direction of the training prior to being reviewed.

Decisions made by the Program's Adjudication Committee are final and not subject to appeal.
